About Our School

At ESF Hillside International Kindergarten (Hillside), learning means having fun. Our students love coming to school – visit us at the start of a morning or afternoon session, and you will be delighted to see all the happy faces, eager for new experiences and discoveries.

We offer an English-medium education for K1 and K2 children, following the International Baccalaureate (IB) curriculum. The IB's Primary Years Programme (PYP) is designed for children aged 3–12 years old, so our students benefit from this early start, making the transition to primary school, which is such a key moment in a child's life, that much easier.

Our bright and spacious kindergarten is located in the centre of Hong Kong Island, on the hillside of Stubbs Road, in the same building as ESF Bradbury School, which makes the move to Primary even smoother. Spread over two floors, the large, open-plan areas are designed to maximise collaboration and shared learning, with no walls or doors in sight. Children love working and playing together in these communal spaces, including our well-stocked library, outdoor play area, garden and mud kitchen – researching topics of interest, building things with their friends, enjoying the outdoors, and always learning.

We are committed to a strong home-school partnership, and parental involvement is highly valued. We will keep you informed and involved every step of the way. Nobody knows your child better than you do, so we won't just tell you what is happening in the classroom, we will involve you whenever we can.

We never forget that each child is unique, and Hillside is a wonderful place where every child can flourish. We look forward to helping your child be happy, engaged, and always learning as they begin their education journey.

Meet the Principal

Audrey is a brilliant early years teacher and an inspirational leader of the team at ESF Hillside Kindergarten. Every single day of her 17 years with ESF has been spent helping her students be the best that they can be.
