About Our School

At ESF Sha Tin College, we are incredibly proud of our reputation for not only having some of the finest academic results in the world, but some of the best students too. Our school has a warm, welcoming and nurturing atmosphere that comes from knowing that every student is unique and that success comes in many forms.

We offer the International Baccalaureate (IB) Programmes and the International General Certificate of Secondary Education (IGCSE), so that each student can follow the path best suited to their goals and strengths. Our students are also encouraged to lead healthy and active lifestyles, and display a sense of adventure both inside and outside of school. This is no more apparent than during our Explorer Week, where students have the opportunity to take part in a broad range of experiential learning, including trekking the Annapurna Range in Nepal, building artificial reefs in Thailand, or staying in Hong Kong to help stray animals.

Sha Tin College students are also not afraid of a dose of healthy competition, as our regular activities, events, charities and competitions among our four Houses will show you. Trying their best and having fun, they show a great deal of confidence as well as compassion for their fellow students as they work alone or support each other to get the coveted trophy. Our extracurricular offerings are also popular among students and are a chance for them to develop their strengths, whether that be in sport, programming, music or a whole range of other interests.

Our experienced staff are on hand to help every student, every single day. They care about each member of our community and go above and beyond in their duties, showing compassion every step of the way. Our students also love the challenge of taking on leadership roles and there is a huge range of options to choose from for students in all Year groups, including a Media Team, Environmental Council, Dance Showcase and Model United Nations.

Sha Tin College looks forward to welcoming you to our truly wonderful school.
